

# Landholder consent template

## Landholder consent for macropod harvesting 2023

This form is to be completed by landholders and provides consent for a licensed harvester to enter the property for the purpose of harvesting macropods in accordance with the 2023 Macropod Harvest Period Notice.

It is recommended that the landholder keeps a copy of this consent form for their records.

The landholder has the right to revoke consent at anytime.

**This form must be retained by the harvester and provided to officers of the Department of Environment and Science (DES) when requested to do so.**
