

Notification of intention to clear under an Area Management Plan

Vegetation Management Act 1999

Important: It is the notifier's responsibility to ensure the correct information is provided when giving notice of intended clearing.

Use this form to notify of your intention to clear native vegetation under an approved Area Management Plan (AMP). You can lodge the completed notification form by emailing to: vegetation@resources.qld.gov.au, or by mailing to or in person at a Department of Resources business centre. For the location of your nearest business centre, visit the department's website www.resources.qld.gov.au or telephone 135 VEG (135 834).

1. AMP identification number

Please indicate which AMP that you intend to clear under:

2024/002371 Desert Channels Queensland - control prescribed weeds in Western Queensland
2017/001700 Apiary infrastructure

2. Notifier's details

All correspondence will be mailed to this address.

The notifier will be the owner of the land, except where an AMP includes a condition that allows another entity to give notice. The owner of the land can include a freehold owner, a lessee of an agricultural and grazing lease, and a trustee on trust land.
