1 Introduction

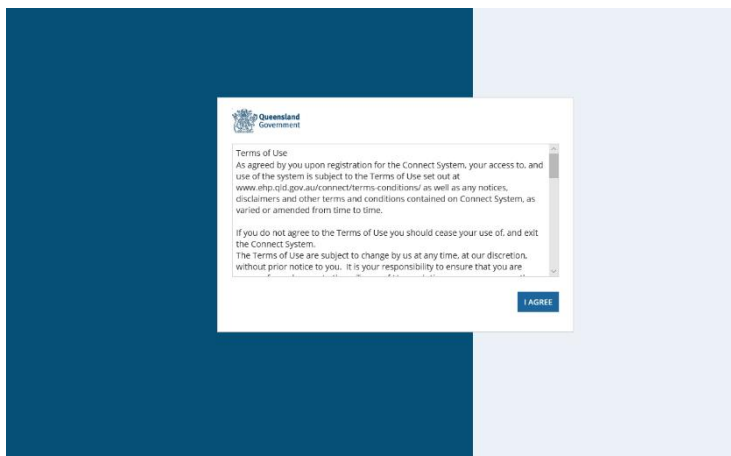

The Department of Environment and Science has a user-friendly digital platform for managing macropod services allowing macropod licence holders to apply for licences, pay fees, and order tags.

The digital return book feature on Macropods Online makes it easier for harvesters and dealers to comply with their record keeping obligations. And submitting returns is also faster and easier allowing users to view and complete their tasks online as simple transactions.

2 Have you registered for an online account?

Macropod customers not currently registered with the Department of Environment and Science’s Online Services will need to register to access Macropods Online. Click [here](#) to learn how to register for Online Services.

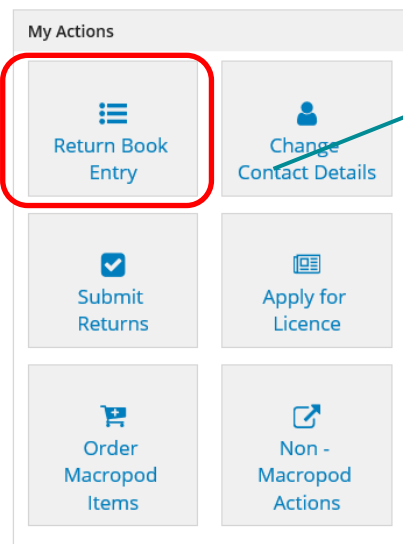

If you have already registered for a harvester licence in Connect or Online Services, you will automatically see the new Macropods Online when you login [here](#).

Login screen

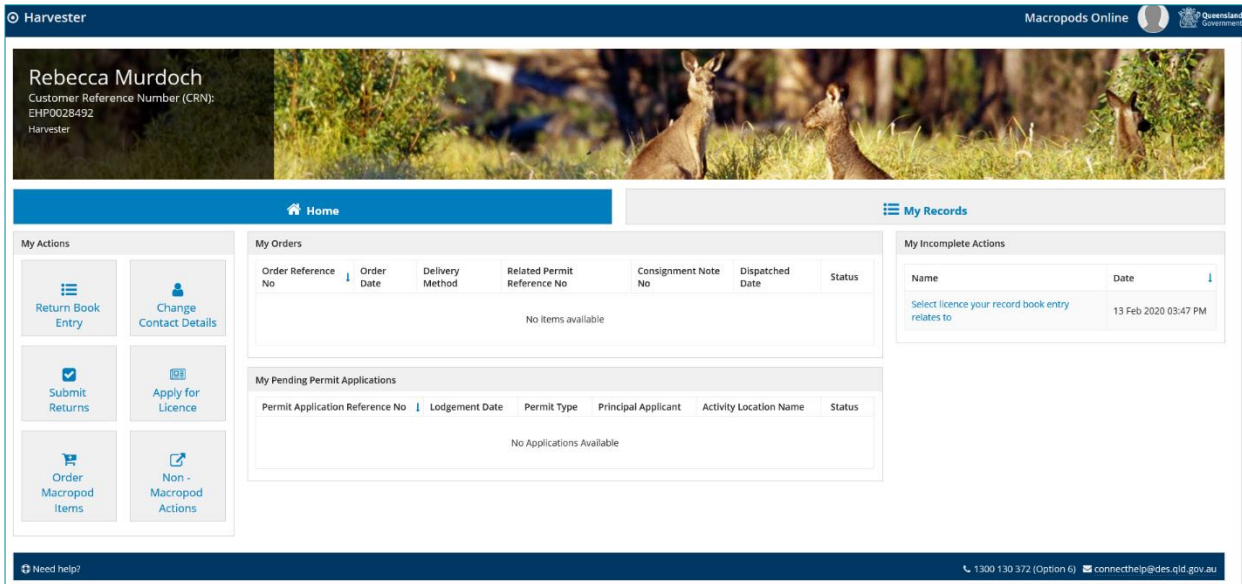

3 Record Book Entry

To add a new entry into the return book

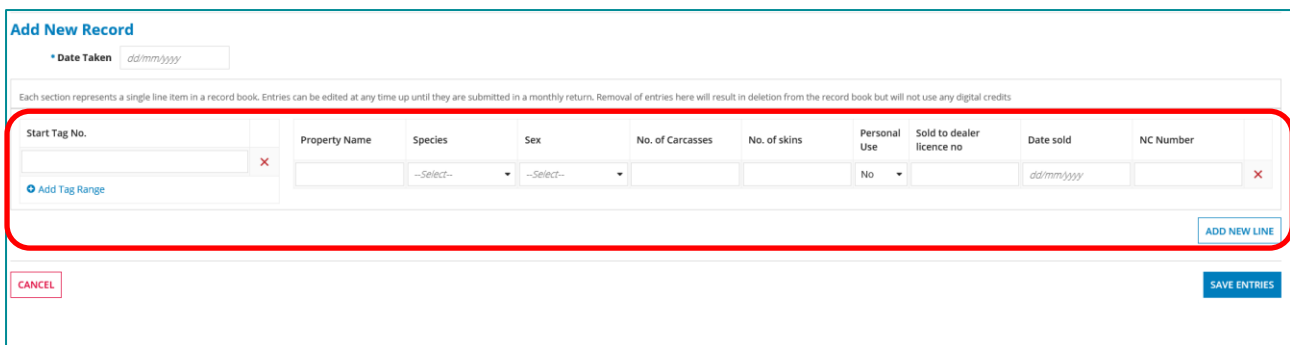

Click the **Return Book Entry** action button from home tab.

Select the licence your record book entry relates to.

**** REMINDER -** Make sure you check the expiry date of the licence to ensure you are choosing the correct permit year to add your return book entry to. And also check the status icon.

Click **NEXT**

Add a new entry by entering:

- Select a past date or today's date in **Date Taken**
- Enter the **Start Tag No.**
- Enter a **Property Name**
- Select a **Species** and **Sex** from the available drop-down boxes

- Enter either a No of carcasses or a No of skins.
- Select **Yes** or **No** for Personal Use

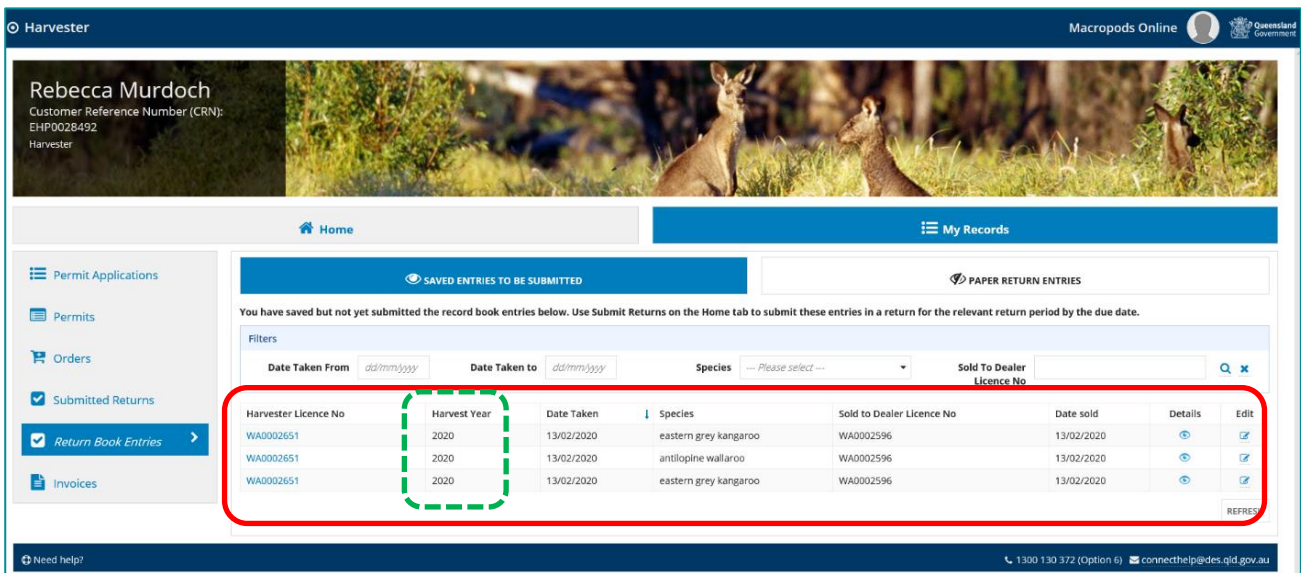

If you selected *No* for Personal Use, you may enter the information below when you create the return book entry or after the sale to a dealer has occurred. Enter the 9-digit licence number (e.g. WA0012345) of the dealer you sold to in **Sold to dealer licence no**

- Select or enter a past date or today’s date in **Date sold**
- If the dealer gave you a copy of their paper return book page, enter the page number in *NC Number*.

4 How to review your Return Book Entries

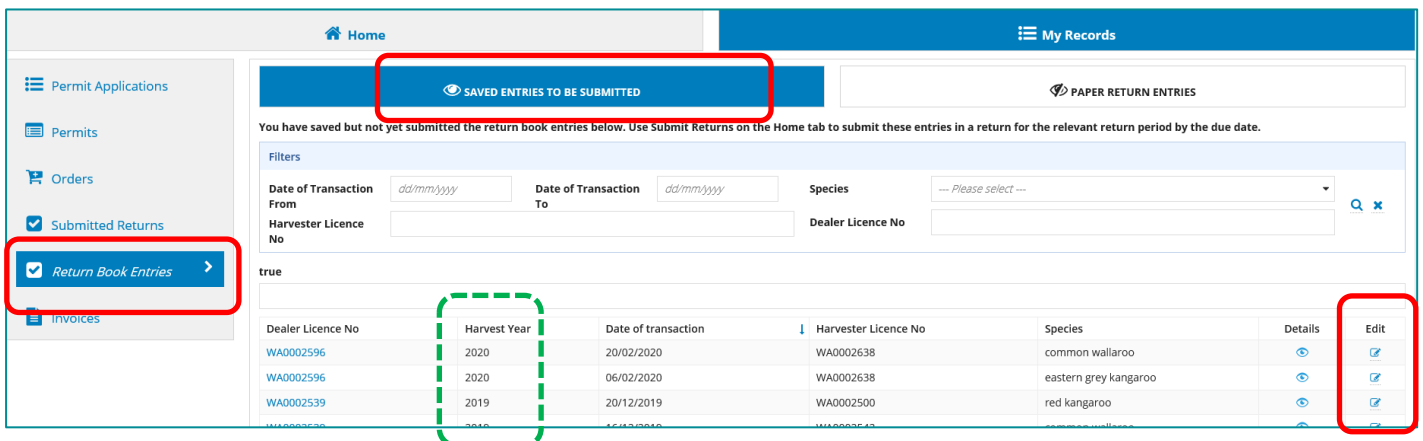

Go to **My Records > Return Book Entries** to view the entries just added

On the **SAVED ENTRIES TO BE SUBMITTED** tab, you will see all the return book entries you have created but not yet submitted.

5 How to amend or delete your unsubmitted return book entries

You can change or delete the return book entries you have saved but not yet submitted.

Go to **My Records > Return book entries**

On the **SAVED ENTRIES TO BE SUBMITTED** tab, you will see a list of the return book entries you have saved and not yet submitted.

Click on the **EDIT** button to the right of the return book entry you wish to amend or delete
