1 Introduction to Macropods Online

The Department of Environment and Science has a user-friendly digital platform for managing macropod services allowing macropod licence holders to apply for licences, pay fees, and order tags.

The digital return book feature on Macropods Online makes it easier for harvesters and dealers to comply with their record keeping obligations. And submitting returns is also faster and easier allowing users to view and complete their tasks online as simple transactions.

The screenshot shows the Macropods Online interface for a user named Tommy Applethorpe, identified as a Harvester. The user's Customer Reference Number (CRN) is EHP0028744. The interface includes a navigation bar with 'HARVESTER' and 'DEALER' tabs, and a 'Macropods Online' header with the Queensland Government logo. The main content area is divided into several sections:

- My Actions:** A grid of buttons for 'Return Book Entry', 'Change Contact Details', 'Submit Returns', 'Apply for Licence', 'Order Macropod Items', and 'Non-Macropod Actions'.
- My Orders:** A table listing orders with columns for Order Reference No, Order Date, Delivery Method, Related Permit Reference No, Consignment Note No, Dispatched Date, and Status. Two orders are shown, both with a status of 'Completed' (green checkmark).
- My Pending Permit Applications:** A table listing permit applications with columns for Permit Application Reference No, Lodgement Date, Permit Type, Principal Applicant, Activity Location Name, and Status. One application is shown with a status of 'Pending' (blue circle with exclamation mark).
- My Incomplete Actions:** A table listing incomplete actions with columns for Name and Date. Two actions are shown: 'Select Delivery Method' (21 Feb 2020 02:03 PM) and 'Enter Order Details' (21 Feb 2020 02:03 PM).

At the bottom of the interface, there is a 'Need help?' link and contact information: 1300 130 372 (Option 6) and connecthelp@des.qld.gov.au.

2 Macropods Online navigation components:

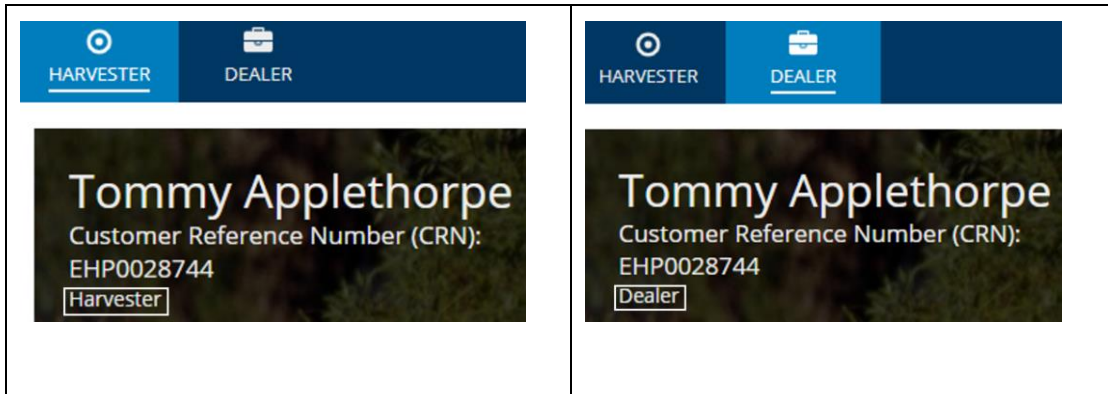

1. Harvester / Dealer toggle

If you have both a Harvesting Licence (aka Macropod Harvesting Licence to harvest macropods) **and** a Dealer Licence (to deal in dead protected macropods), you will see this toggle each time you login to Macropods Online.

This toggle enables you to quickly change the screen to display your harvester Home page and harvester My Records.

The **Harvester** or **Dealer** label below your username and CRN helps you remember what your active toggle is.

2. Home tab

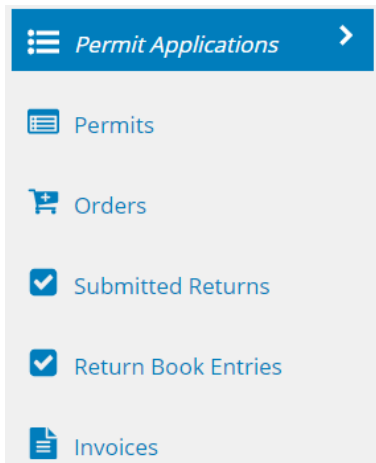

You will automatically be taken to your home tab every time you login to Macropods online.

Your Home tab displays:

- the **My Actions** panel with all the action buttons from which you can start a transaction,
- the **My orders** panel which displays your last 5 orders,
- the **My Pending Permit Applications** panel which displays any licence application you have lodged but has not yet been decided, and
- the **My Incomplete Actions** panel, i.e. any transactions you have started but not yet finished and any transactions which require you to do something.

3. My Records tab

You can click on this tab to view all your current and historical records. Select the type of records you want to view from the left-hand side menu displayed below.

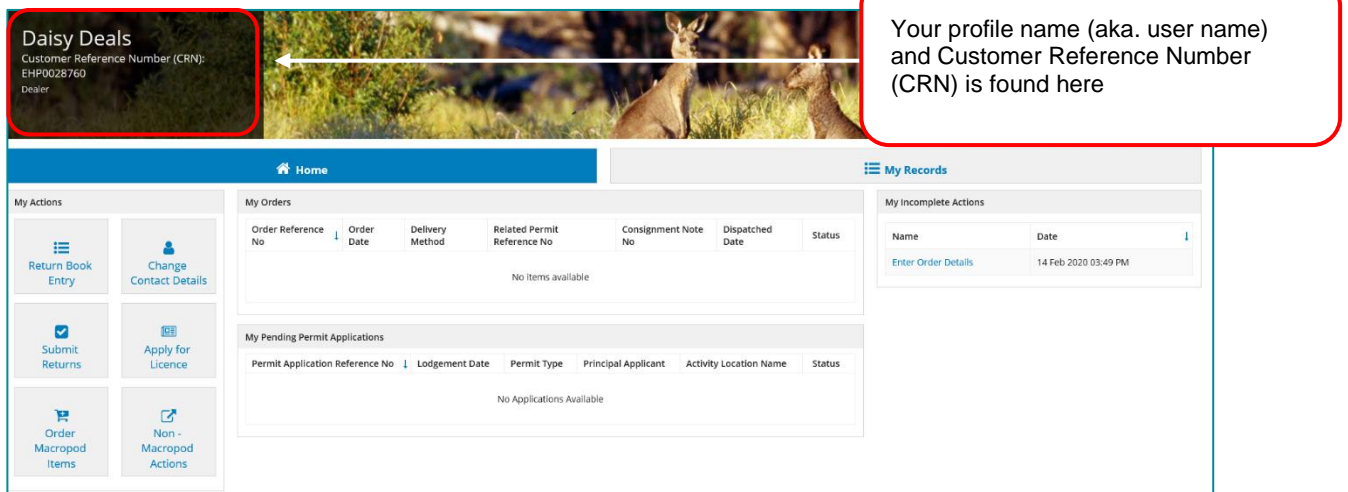

3 Have you registered for an online account?

Macropod customers not currently registered with the Department of Environment and Science's Online Services you will need to register to access Macropods Online. Click [here](#) to learn how to register for Online Services.

If you have already registered for a harvester or dealer licence in Connect or Online Services, you will automatically see the new Macropods Online when you login [here](#).

4 What is my Customer Reference Number?

The **Customer Reference Number (CRN)** displayed in Macropods Online your user name is the number which identifies the Customer record your licence(s) and transactions have been created under. You need to know this reference number if you want to query the status of your transaction with the department or if you are a dealer site manager (aka Person in Charge) and want to be granted access to that dealer licence.

5 Navigating the My Actions panel

The **My Actions** panel allows the user to quickly and easily initiate new transactions.

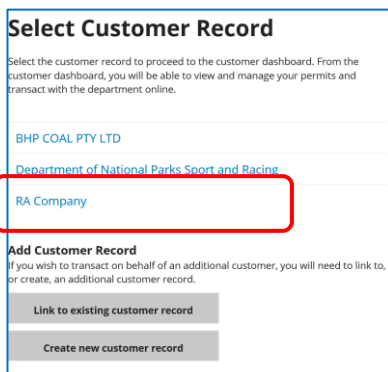

- **Return Book Entry** – To add a new entry in the return book
- **Submit Returns** – To submit return book entries as a return or submit a nil return for a return period

- **Order Macropod Items** – To apply to order tags, paper record books and/or movement advices
- **Change Contact Details** – To change the address/and or telephone number on your customer record
- **Apply for Licence** – To lodge an application for a harvester or dealer licence

Non-Macropod Actions – To access actions and records not related to Macropod harvesting/dealing.

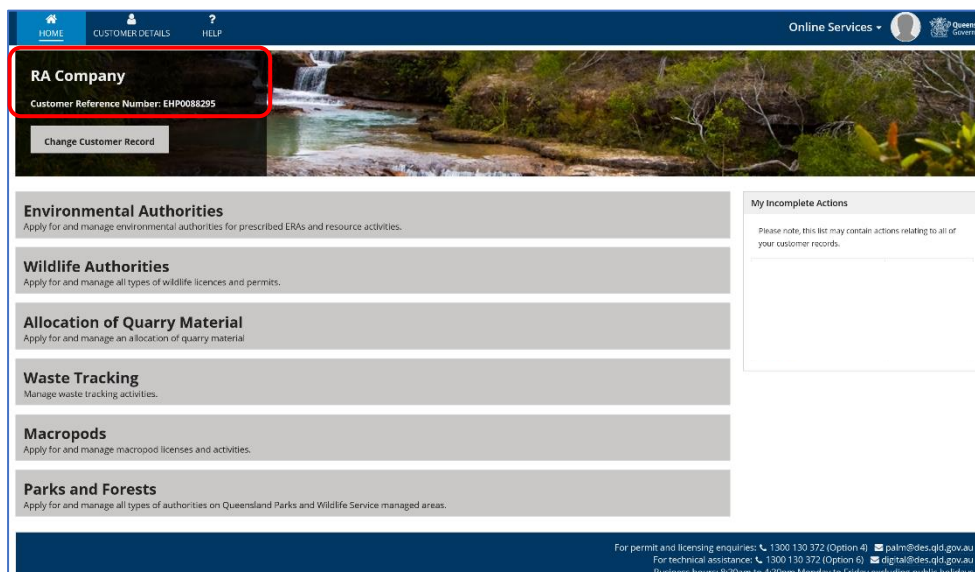

NOTE: If you hold more than one permit, you are now able to manage these on the new Online Services customer homepage. Simply click the **Non-Macropod Actions** button (in the bottom left-hand side of the screen) to go to the **Select Customer Record** screen.

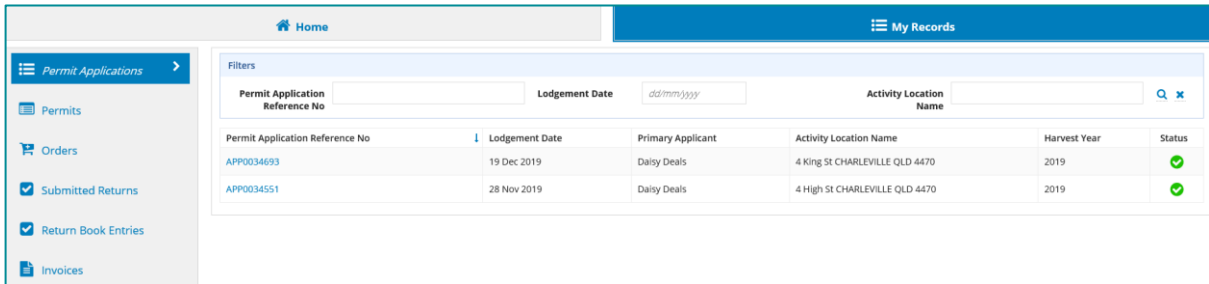

In the **Select Customer Record** screen, select the customer record you wish to transact on and you will be then be taken to the Online Services homepage.

On the Online Services homepage (as shown below) you can access and easily manage your other permits. For more information refer to the [Getting Started](#) user guide for information and links to registering, signing in and navigating Online Services. 6 Navigating the My Records tab

The **My Records** tab shows the user all records – current and historical.

- **Permit Applications** – The **My Records** tab automatically opens up to show the user all permit applications. Each application is hyperlinked allowing the user to access each permit application to view or make changes.
- **Permits** – The Permits tab shows the user all current permits. These are hyperlinked allowing the user to access them easily.
- **Orders** – The Orders tab shows the last five orders of the user.
- **Submitted Returns** – Showing all submitted returns on separate hyperlinked lines and a return status column with icons.
- **Return Book Entries** – Saved and unsubmitted return book entries which have not yet been submitted in a return can be viewed and edited here.
- **Invoices** – View all invoices

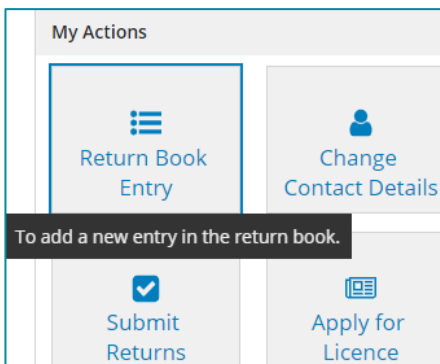

You can use the filters available on each record type-specific screen to find a specific record.
