Please forward this application to your local government. The local government will contact you when the application has been assessed.

PRIVACY

Information on this form, and any attachments, is being collected to process and assess your application under section 163 of the *Stock Route Management Act 2002*. The water facility agreement system is managed by the Department of Resources (the department) with the water facility agreement issued by the relevant local government. Both Local and State agencies must comply with the information privacy principles in the *Information Privacy Act 2009*. Processing your application may require some information to be shared with relevant local or state agencies. Your personal information will not otherwise be disclosed by the department unless authorised or required by law.

Please note that the department may seek your feedback on stock routes and associated activities. Any survey participation will be strictly voluntary, and you may opt out of this contact at any time by email stateland@resources.qld.gov.au. The department may also use stock permit information for research or statistical purposes which will not involve the publication of identifying personal information.
