## **Department of Resources**

## **Review of Local Government Decision**

Form SR04

Stock Route Management Act 2002

For stock route agistment permits and stock route travel permits, the Department of Resources (the department) can be asked to review a local government's decision to:

- refuse to issue the relevant permit; or
- refuse to renew a stock route agistment permit; or
- impose conditions on the permit; or
- refuse to amend conditions on the permit as requested by the permit holder; or
- cancel the permit.

This form should be received by the department at the address below within 28 days of receiving the local government's decision. You should receive notice of the outcome of the review within seven days for a stock route travel permit, and 14 days for a stock route agistment permit.

## **PRIVACY**

Information on this form, and any attachments, is being collected to process and assess your application under section 129 and 145 of the *Stock Route Management Act 2002*. Processing your application may require some information to be shared with other relevant local or state agencies who have responsibilities for managing stock routes. Both local and state agencies must comply with the information privacy principles in the *Information Privacy Act 2009*. Your personal information will not otherwise be disclosed by the department unless authorised or required by law.

Please note that the department may seek your feedback on stock routes and associated activities. Any survey participation will be strictly voluntary, and you may opt out of this contact at any time by email <a href="mailto:stateland@resources.qld.gov.au">stateland@resources.qld.gov.au</a>. The department may also use stock permit information for research or statistical purposes which will not involve the publication of identifying personal information.
