Government

Was your home damaged by flooding?

You might be able to get some help from the government to

repair your home

raise your home

or the council may buy it from you in special cases.

This is so people will not have so many problems if their homes are flooded again.

Call the Translating and Interpreting Service on 13 14 50 who will connect you to the government service for **Resilient Homes Fund**.

You can scan this code for more information in English.

It will explain how to give your details for the government to see if you are eligible for assistance.

This assistance is made available through the jointly funded Commonwealth-State Disaster Recovery Funding Arrangements.
