## *Land Act 1994*

### Requirements

1. Use this application form to apply for a deed of grant over an operational reserve or operational deed of grant in trust (collectively operational trust land).
2. This application does not require payment of an application fee.
3. Please read the respective [Deed of grant over an operational trust land guide](#), which includes application restrictions. The content on this page may help you decide if this application form applies to you and your needs. It will also help guide you through the application process.
4. **Part A online form:** [Contact and land details](#) or Part A - [Contact and land details \(PDF\)](#) must be completed and submitted with your application.
5. Any additional information to support the application.
6. For your application to be processed, all parts of this application form must be accurately completed otherwise your application may be returned to you to complete or refused.

### Important information

1. For detailed information and to ensure you complete the correct application form, we encourage you to arrange a prelodgement meeting and refer to the *Land Act 1994*. Contact your nearest [business centre](#) to arrange a meeting.
2. When applying to the Department of Natural Resources and Mines, Manufacturing and Regional and Rural Development (the department) for a Deed of Grant over an operational reserve or deed of grant in trust the applicant must:
  - be the registered trustee on the current title for the operational trust land parcel.
  - give notice to any person with a registered interest in the operational trust land advising they may make a submission against the proposed application
  - provide a copy of any submissions received from registered interest holders and others.
  - provide a native title assessment of the land that concludes that native title has been adequately addressed to support the issue of a deed of grant. If the applicant is a state government agency, the assessment must be undertaken in accordance with government's Native Title Work Procedures.
3. If the applicant is a state government agency, the land applied for must be recorded on the Government Land Register in the name of the applicant and the GLR number supplied with this application.

### Information and Data Collection

4. Information on this form, and any attachments, is being collected to process and assess your application under section 34J and 43B of the [Land Act 1994](#). If required, we may need to consult with third parties such as relevant local or state agencies and adjoining property owners. Details provided to third parties will generally be limited to type of application,

area applied for and intended use. Your personal information will not otherwise be disclosed unless authorised or required by law.

5. Please note that we may wish to contact you to seek your views on our service, to advise you of any legislative changes that might affect you or to seek your participation in surveys or programs relevant to your application type. Any participation will be voluntary and you may email [stateland@resources.qld.gov.au](mailto:stateland@resources.qld.gov.au) if you do not wish for the department to contact you.
6. The department may also compile or analyse statistics and conduct research. Any publication of findings will not involve the publication of identifying personal information.
